## 2010 SUMMER SOCCER CAMPS

Thank you for choosing to register your son or daughter with The Player Development Academy 2010 Summer Soccer Camps. Our goal is to provide all mid-Michigan players with the opportunity to train as much as they would like in order to help them become the player that they desire to be. In these tough economic times we know that you are looking for value out of every dollar you spend. Our camps are designed with that in mind. This is not a day care program; while we strive to ensure that the players are having fun, we keep them very busy with age appropriate training sessions and small sided games, all done in a competitive environment.

Camps will be run rain or shine. In the case of inclement weather during the camp, the players will be directed to remain under the shelters at either facility until the weather passes. The camp director will monitor the weather throughout the week in order to be able to make a judgment call about canceling a day of camp prior to that day.

Your e-mail address will be used for all camp communication including canceling a day of camp should the need arise due to inclement weather. No refunds will be given for camps canceled due to circumstances beyond our control. Every effort will be made to make sure that there is no need to cancel any portion of camp.

The registration deadline for all other camps is Friday, June 11<sup>th</sup>. A \$10 fee will be assessed for all registration after the deadline, and should be included with your form. All payments are due at the time of registration; space will not be reserved with out payment. No e-mail registration will be accepted.
